Privacy Policy

You are a valued customer and we strive to meet your privacy concerns. We want to make sure your personal information is protected and that you understand the policies that protect you. There are several legal terms in our privacy policy that we are required to use. We've tried to provide easy-to-understand explanations of the most frequently used legal terms. You'll find the same terms used in many companies' privacy policies.

Assurant Solutions and Assurant Specialty Property companies and other insurers that operate under this Privacy Policy ("we") provide insurance, service contracts and membership products. Our products are offered on behalf of other companies and through our agents. These other companies may be banks; finance companies; retailers; utilities; automobile dealers; manufactured housing and mortgage companies. Those companies that qualify as financial institutions must give our Privacy Policy to you each year. If you have asked not to be solicited, that request is still in effect. You do not need to contact us again. This is not a solicitation. You do not need to respond.

This Privacy Policy gives you examples of the types of data we collect, use, share or disclose; and the kinds of companies with whom we may share such data. These examples serve only as illustrations; they should not be considered all of the data we may collect, use or share. Also, we will comply with state privacy laws that may apply to data about you. Below is our privacy pledge to you:

Our Privacy Principles:

- We do not sell your personal information.
- We do not share customer medical information with anyone within the Assurant Solutions or Assurant Specialty Property family of companies unless you expressly authorize the sharing, or it is permitted or required by law.
- We do not allow those with whom we do business to use our customer information for their own marketing purposes.
- We contractually require any person or business providing products or services on our behalf to safeguard our customer information.
